

PRESS RELEASE

Realty Summit on 21 and 22 September 2021 at Gare Maritime in Brussels

Early in the spring, Easyfairs decided not to organise the September 2020 edition of Realty Belgium due to the coronavirus pandemic. Nowadays, the organiser of the number one real estate summit in Belgium is already preparing the new edition of Realty Belgium 2021.

It has become clear over the past few months that networking events such as Realty are very important for the growth of real estate organisations. Establishing new contacts and meeting other entrepreneurs generates (new) business. Digital events are clearly not a fully viable alternative for the real estate market.

There is currently a clear demand in the market for a face-to-face event, so we are therefore pleased to announce that the next **Realty Summit will be taking place on 21 and 22 September 2021.**

The concept of the Realty Summit changed in 2019: there was more focus on content and the networking aspect was limited to a select audience.

The first modified edition was a great success, so we will continue this momentum.

For the 2021 edition, we will return to the capital of Brussels, but not to the usual venue of the Tour&Taxis Sheds. Instead the event will be held at the former goods railway station Gare Maritime, which was built in 1907 and renovated into a completely energy-neutral building 110 years later. The inspiring story of the railway station ties in very closely with Realty's process of renewal. It is therefore the perfect location to welcome the Belgian real estate sector in 11 months' time.

Further practical details and an overview of the comprehensive content schedule will be communicated on our website and social media channels at a later date.

Save the date in your calendar now: **Realty Summit, 21 and 22 September 2021**, Gare Maritime, Tour&Taxis, Brussels.
